206.266 Rehabilitation of historic resource; tax credit; plan; certification; revocation of certificate or sale of historic resource; rules; report; definitions.

Sec. 266. (1) A qualified taxpayer with a rehabilitation plan certified after December 31, 1998 and before January 1, 2012 may credit against the tax imposed by this part the amount determined pursuant to subsection (2) for the qualified expenditures for the rehabilitation of a historic resource pursuant to the rehabilitation plan in the year in which the certification of completed rehabilitation of the historic resource is issued. Only those expenditures that are paid or incurred during the time periods prescribed for the credit under section 47(a)(2) of the internal revenue code and any related treasury regulations shall be considered qualified expenditures.

(2) The credit allowed under this section shall be 25% of the qualified expenditures that are eligible, or would have been eligible except that the taxpayer elected to transfer the credit under subsection (12), for the credit under section 47(a)(2) of the internal revenue code if the taxpayer is eligible for the credit under section 47(a)(2) of the internal revenue code or, if the taxpayer is not eligible for the credit under section 47(a)(2) of the internal revenue code, 25% of the qualified expenditures that would qualify under section 47(a)(2) of the internal revenue code except that the expenditures are made to a historic resource that is not eligible for the credit under section 47(a)(2) of the internal revenue code, subject to both of the following:

(a) A taxpayer with qualified expenditures that are eligible for the credit under section 47(a)(2) of the internal revenue code may not claim a credit under this section for those qualified expenditures unless the taxpayer has claimed and received a credit for those qualified expenditures under section 47(a)(2) of the internal revenue code or the taxpayer has elected to transfer the credit under subsection (12).

(b) A credit under this section shall be reduced by the amount of a credit received by the taxpayer for the same qualified expenditures under section 47(a)(2) of the internal revenue code.

(3) To be eligible for the credit under this section, the taxpayer shall apply to and receive from the Michigan state housing development authority that the historic significance, the rehabilitation plan, and the completed rehabilitation of the historic resource meet the criteria under subsection (6) and either of the following:

(a) All of the following criteria:

(i) The historic resource contributes to the significance of the historic district in which it is located.

(iii) All rehabilitation work has been done to or within the walls, boundaries, or structures of the historic resource or to historic resources located within the property boundaries of the resource.

(b) The taxpayer has received certification from the national park service that the historic resource's significance, the rehabilitation plan, and the completed rehabilitation qualify for the credit allowed under section 47(a)(2) of the internal revenue code.

(4) If a qualified taxpayer is eligible for the credit allowed under section 47(a)(2) of the internal revenue code, the qualified taxpayer shall file for certification with the authority to qualify for the credit allowed under

section 47(a)(2) of the internal revenue code. If the qualified taxpayer has previously filed for certification with the authority to qualify for the credit allowed under section 47(a)(2) of the internal revenue code, additional filing for the credit allowed under this section is not required.

(5) The authority may inspect a historic resource at any time during the rehabilitation process and may revoke certification of completed rehabilitation if the rehabilitation was not undertaken as represented in the rehabilitation plan or if unapproved alterations to the completed rehabilitation are made during the 5 years after the tax year in which the credit was claimed. The authority shall promptly notify the department of a revocation.

(6) Qualified expenditures for the rehabilitation of a historic resource may be used to calculate the credit under this section if the historic resource meets 1 of the criteria listed in subdivision (a) and 1 of the criteria listed in subdivision (b):

(a) The resource is 1 of the following during the tax year in which a credit under this section is claimed for those qualified expenditures:

(i) Individually listed on the national register of historic places or state register of historic sites.

(ii) A contributing resource located within a historic district listed on the national register of historic places or the state register of historic sites.

(iii) The historic resource is located in an unincorporated local unit of government.

(7) A credit amount assigned under section 39c(7) of former 1975 PA 228 or section 435 of the Michigan business tax act, 2007 PA 36, MCL 208.1435, may be claimed against the partner's, member's, or shareholder's tax liability under this part as provided in section 39c(7) of former 1975 PA 228 or section 435 of the Michigan business tax act, 2007 PA 36, MCL 208.1435.

(8) If the credit allowed under this section for the tax year and any unused carryforward of the credit allowed by this section exceed the taxpayer's tax liability for the tax year, that portion that exceeds the tax liability for the tax year shall not be refunded but may be carried forward to offset tax liability in subsequent tax years for 10 years or until used up, whichever occurs first. For projects for which a certificate of completed rehabilitation is issued for a tax year beginning after December 31, 2008 and for which the credit amount allowed is less than \$250,000.00, a qualified taxpayer may elect to forgo the carryover period and receive a refund of the amount of the credit that exceeds the qualified taxpayer's tax liability. The amount of the refund shall be equal to 90% of the amount of the credit that exceeds the qualified taxpayer's tax liability. An election under this subsection shall be made in the year that a certificate of completed rehabilitation is issued and shall be irrevocable.

(9) For tax years beginning before January 1, 2009, if a taxpayer sells a historic resource for which a credit under this section was claimed less than 5 years after the year in which the credit was claimed, the following percentage of the credit amount previously claimed relative to that historic resource shall be added back to the tax liability of the taxpayer in the year of the sale:

(a) If the sale is less than 1 year after the year in which the credit was claimed, 100%.

(b) If the sale is at least 1 year but less than 2 years after the year in which the credit was claimed, 80%.

(f) If the sale is 5 years or more after the year in which the credit was claimed, an addback to the taxpayer's tax liability shall not be made.

(10) For tax years beginning before January 1, 2009, if a certification of completed rehabilitation is revoked under subsection (5) less than 5 years after the year in which a credit was claimed, the following percentage of the credit amount previously claimed relative to that historic resource shall be added back to the

tax liability of the taxpayer in the year of the revocation:

- (a) If the revocation is less than 1 year after the year in which the credit was claimed, 100%.
- (b) If the revocation is at least 1 year but less than 2 years after the year in which the credit was claimed, 80%.
- (c) If the revocation is at least 2 years but less than 3 years after the year in which the credit was claimed, 60%.
- (d) If the revocation is at least 3 years but less than 4 years after the year in which the credit was claimed, 40%.

- (f) If the revocation is 5 years or more after the year in which the credit was claimed, an addback to the taxpayer's tax liability shall not be made.

(11) For tax years beginning after December 31, 2008, if a certificate of completed rehabilitation is revoked under subsection (5) or if the historic resource is sold or disposed of less than 5 years after being placed in service as defined in section 47(b)(1) of the internal revenue code and related treasury regulations, the following percentage of the credit amount previously claimed relative to that historic resource shall be added back to the tax liability of the qualified taxpayer that received the certificate of completed rehabilitation and not the assignee in the year of the revocation:

- (b) If the revocation is at least 1 year but less than 2 years after the historic resource is placed in service, 80%.
- (c) If the revocation is at least 2 years but less than 3 years after the historic resource is placed in service, 60%.

- (f) If the revocation is at least 5 years or more after the historic resource is placed in service, an addback to the qualified taxpayer tax liability shall not be required.

(12) A qualified taxpayer who receives a certificate of completed rehabilitation after December 31, 2008 may elect to forgo claiming the credit and transfer the credit along with the ownership of the property for which the credit may be claimed to a new owner. The new owner shall be treated as the qualified taxpayer having incurred the rehabilitation costs and shall be subject to the recapture provisions under subsection (11) if the new owner sells or disposes of the property within 5 years after the new owner acquired the property. For purposes of this subsection and subsection (11), the placed in service date for a new owner is the date the new owner acquired the property for which the credit is claimed.

(13) The authority may impose a fee to cover the administrative cost of implementing the program under this section.

(14) The qualified taxpayer shall attach all of the following to the qualified taxpayer's annual return under this part:

- (a) Certification of completed rehabilitation.
- (b) Certification of historic significance related to the historic resource and the qualified expenditures used to claim a credit under this section.
- (c) A completed assignment form if the qualified taxpayer is an assignee under section 39c of former 1975 PA 228 or section 435 of the Michigan business tax act, 2007 PA 36, MCL 208.1435, of any portion of a credit allowed under that section.

(15) The authority may promulgate rules to implement this section pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(16) The total of the credits claimed under this section and section 39c of former 1975 PA 228 or section 435 of the Michigan business tax act, 2007 PA 36, MCL 208.1435, for a rehabilitation project shall not exceed 25% of the total qualified expenditures eligible for the credit under this section for that rehabilitation project.
